

Appendix C

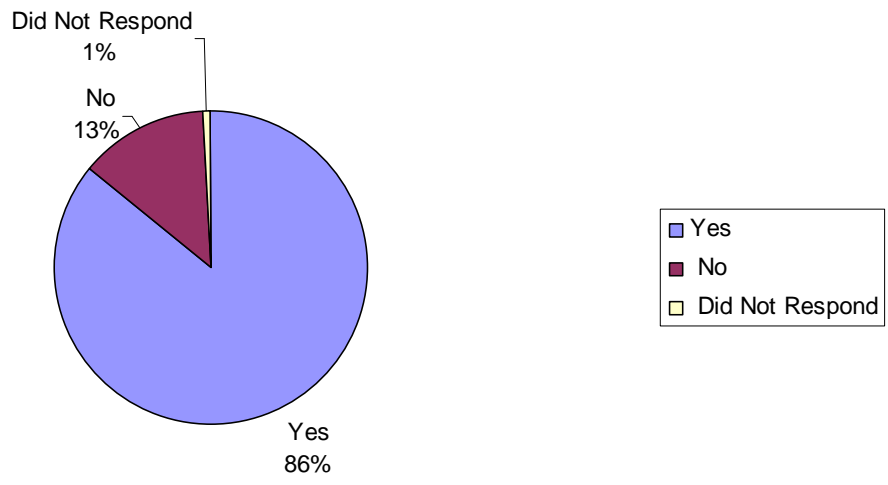

Resident Survey Results

The district surveyed both patrons and non patrons in late fall 2004. Three hundred eighteen responded to the online and in person survey. The charts below reflect the data captured at the time. Of the 318 responses, 98% were library card holders.

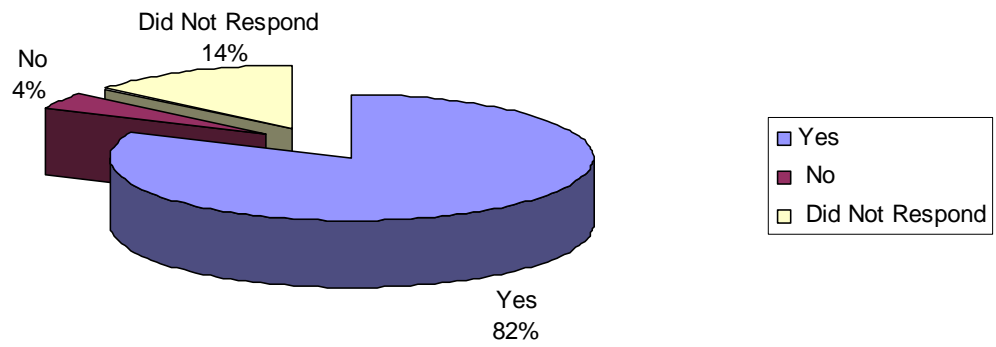

** Please Note: Those responding could select more than one library or service.*

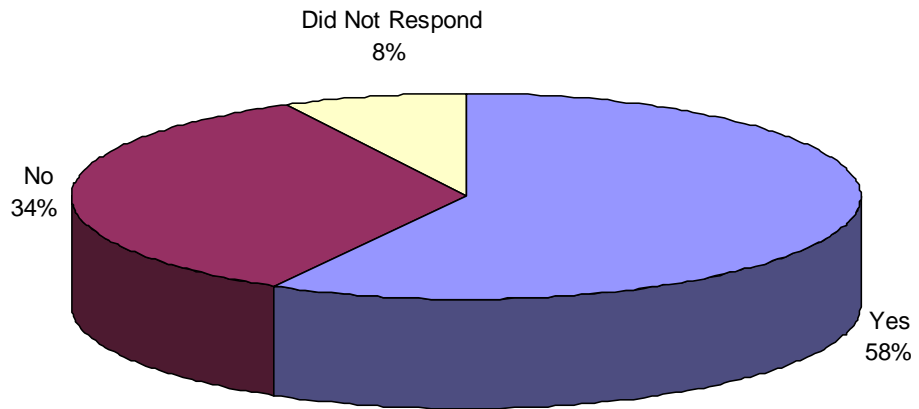

Does patron have a home computer?

Does patron have Internet Access?

Visited Website?

Did patron find what they were looking for?
